# The Setup And **Collection** Process

**How do you communicate and train your churches?**

**What is your deadline for churches, and how do you enforce it?**

**How do you refer to the membership that is held at your Conference level? General Membership Roll or At-Large Membership?**

# Checking For Accuracy

- What sorts of checks do you run before submitting to GCFA?
- What are your “problem lines,” and what do you do to ensure better data and accuracy?
- How do you deal with non-reporting churches?
