GCFA Financial Services can help you implement solid processes and procedures regarding the financial administration of your ministry so that it can run efficiently and effectively. Let us give you back the time and energy you need for ministry. Let us help you pay it forward.

- Increase Efficiency & Data Accuracy
- Ensure Federal and State Regulation Compliance
- Align Financial Resources to Missional Goals
- Achieve Operational, Strategic, Compliance, and Reporting Objectives

INTEGRITY
Easy access to accurate information by experts you trust

EXPERIENCE
Decades of service in accounting, budgeting, auditing, and internal control procedures

PERSONALIZED
Accounting principals and strategic systems unique to your ministry

GUIDANCE
Sound advice for your ministry when it is needed most

“When I came to GCFA I found a place where I could make a difference. When talking about budgets people can be intimidated. Hopefully by bringing my listening as well as analytical skills to the process of budgeting and analysis, I have been able to make it a more engaging and unifying experience.”
– Lynne Eiaw-Neiderland,
Director of Financial Planning & Analysis, GCFA
