

AVENTRI EVENT MANAGEMENT

POWERING SMALL & LARGE ONLINE EVENT REGISTRATION & MANAGEMENT

Online event registration is the cornerstone of a productive meeting or conference. Aventri, formerly etouches, is a leader in event management software while still being cost conscious.

PERSONALIZED

- Workflows for any type of event
- Analytic reports
- Use your branding - Available in over 30 languages

FLEXIBLE

- Mobile-responsive
- Fast check-in and badging
- Access event tools such as room scheduler and booth management

SECURE

- Multiple payment options in over 40 global currencies
- GDPR/privacy compliant
- Download and upload forms for parental permission or waivers

GCFA's Travel and Meeting Planning department can build a cost-effective online registration site for your next event or meeting, or train you on how to build one in Aventri. Contact us for more information at ConnectionalRelations@gcfa.org or **866-367-4232**.
