

Paycheck Protection Program

The Coronavirus Aid, Relief and Economic Security (CARES ACT) allocated \$350 billion to help small businesses/churches keep workers employed amid the pandemic and economic downturn. Known as the Paycheck Protection Program, the initiative provides 100% federally guaranteed loans to small businesses/churches. These loans may be forgiven if borrowers maintain their payrolls during the crisis or restore their payrolls afterwards. LBMC and UMC have teamed up to create an easy to follow guide on what you need to know to take advantage of this opportunity.

Highlights of PPP

- The PPP is first-come, first-served. Important to note, time is of the essence to take advantage of this opportunity.
- No more than 25% of the loan forgiveness amount may be used for non-payroll costs. The SBA is supposed to issue additional guidance on loan forgiveness.
- At least 75% of the PPP loan proceeds SHALL be used for payroll costs (including any EIDL loan that is refinanced). This is a new requirement and is important for businesses who need the money to pay interest on mortgage, rent, and utilities. If the funds are used for unauthorized purposes, the SBA will direct the borrower to repay those amounts.
- Maximum loan amount is 2.5 times average monthly payroll costs.
- The number of employees must be no more than 500 and payroll costs are limited to employees who have their principal place of residence in the United States.
- Use for employee salaries, cost related to compilation of group health benefits, paid sick medical family leave insurance premiums
- Payroll Costs DO NOT include mortgage payments or utilities.
- All forms will have to go through a lender.
- All forms have to be filled out on-line (Adobe PDF form – and id certification)
- Your bank may have additional forms they need you to fill out.

What You Need

1. 941's for 2019
2. State Unemployment Tax Returns for 2019, showing each individual's compensation, if applicable
3. Detailed payroll reports for 2019, showing names, social security numbers, compensation and FICA/MC and FIT withholdings (also provide details in Excel to limit individual compensation to \$100,000 per recipient)
4. Detailed subcontractor payments to individuals for services only (by recipient) for 2019, showing names, social security numbers/EINs, and gross payments
5. Details of healthcare benefits paid by company (health, dental, vision) from 2019 including most recent invoice
6. Detailed listing of employer's retirement plan payments for 2019
7. Fill out and sign (manually) the 4506-T

Please note that your bank is the entity that is making the decision on how much the "payroll costs" are and how they will compute it. These are only LBMC's suggested items which we feel they will ask for. Please contact your banker to determine what is needed.

LBMC is working with US Bank and will coordinate for you. Please note that this doesn't guarantee that your loan will be approved.

Who to Contact

We are here to help you with any additional questions or to assist you with getting these forms processed.

Prepared by the **U.S. CHAMBER OF COMMERCE**

CORONAVIRUS EMERGENCY LOANS Small Business Guide and Checklist

The Coronavirus Aid, Relief, and Economic Security (CARES) Act allocated \$350 billion to help small businesses keep workers employed amid the pandemic and economic downturn. Known as the Paycheck Protection Program, the initiative provides 100% federally guaranteed loans to small businesses.

Importantly, these loans may be forgiven if borrowers maintain their payrolls during the crisis or restore their payrolls afterward.

The administration soon will release more details including the list of lenders offering loans under the program. In the meantime, the U.S. Chamber of Commerce has issued this guide to help small businesses and self-employed individuals prepare to file for a loan.

Here are the questions you may be asking—and what you need to know.

1 Am I ELIGIBLE?

You are eligible if you are:

- A small business with fewer than 500 employees
- A small business that otherwise meets the SBA's size standard
- A 501(c)(3) with fewer than 500 employees
- An individual who operates as a sole proprietor
- An individual who operates as an independent contractor
- An individual who is self-employed who regularly carries on any trade or business
- A Tribal business concern that meets the SBA size standard
- A 501(c)(19) Veterans Organization that meets the SBA size standard

In addition, some special rules may make you eligible:

- If you are in the accommodation and food services sector (NAICS 72), the 500-employee rule is applied on a per physical location basis
- If you are operating as a franchise or receive financial assistance from an approved Small Business Investment Company the normal affiliation rules do not apply

REMEMBER: The 500-employee threshold includes all employees: full-time, part-time, and any other status.

2 What will lenders be LOOKING FOR?

In evaluating eligibility, lenders are directed to consider whether the borrower was in operation before February 15, 2020 and had employees for whom they paid salaries and payroll taxes or paid independent contractors.

Lenders will also ask you for a good faith certification that:

1. The uncertainty of current economic conditions makes the loan request necessary to support ongoing operations
2. The borrower will use the loan proceeds to retain workers and maintain payroll or make mortgage, lease, and utility payments
3. Borrower does not have an application pending for a loan duplicative of the purpose and amounts applied for here
4. From Feb. 15, 2020 to Dec. 31, 2020, the borrower has not received a loan duplicative of the purpose and amounts applied for here (Note: There is an opportunity to fold emergency loans made between Jan. 31, 2020 and the date this loan program becomes available into a new loan)

If you are an independent contractor, sole proprietor, or self-employed individual, lenders will also be looking for certain documents (final requirements will be announced by the government) such as payroll tax filings, Forms 1099-MISC, and income and expenses from the sole proprietorship.

What lenders will NOT LOOK FOR

- That the borrower sought and was unable to obtain credit elsewhere.
- A personal guarantee is not required for the loan.
- No collateral is required for the loan.

3

How much can I BORROW?

Loans can be up to 2.5 x the borrower's average monthly payroll costs, not to exceed **\$10 million**.

How do I calculate my average monthly PAYROLL COSTS?

sum of
INCLUDED
payroll costs

-

sum of
EXCLUDED
payroll costs

=

**PAYROLL
COSTS**

INCLUDED Payroll Cost:

- 1. For Employers:** The sum of payments of any compensation with respect to employees that is a:
 - salary, wage, commission, or similar compensation;
 - payment of cash tip or equivalent;
 - payment for vacation, parental, family, medical, or sick leave
 - allowance for dismissal or separation
 - payment required for the provisions of group health care benefits, including insurance premiums
 - payment of any retirement benefit
 - payment of state or local tax assessed on the compensation of the employee
- 2. For Sole Proprietors, Independent Contractors, and Self-Employed Individuals:** The sum of payments of any compensation to or income of a sole proprietor or independent contractor that is a wage, commission, income, net earnings from self-employment, or similar compensation and that is in an amount that is not more than \$100,000 in one year, as pro-rated for the covered period.

EXCLUDED Payroll Cost:

1. Compensation of an individual employee in excess of an annual salary of \$100,000, as prorated for the period February 15, to June 30, 2020
2. Payroll taxes, railroad retirement taxes, and income taxes
3. Any compensation of an employee whose principal place of residence is outside of the United States
4. Qualified sick leave wages for which a credit is allowed under section 7001 of the Families First Coronavirus Response Act (Public Law 116–5 127); or qualified family leave wages for which a credit is allowed under section 7003 of the Families First Coronavirus Response Act

NON SEASONAL EMPLOYERS:

Maximum loan =

2.5 X Average total monthly payroll costs incurred during the year prior to the loan date

For businesses not operational in 2019:

2.5 X Average total monthly payroll costs incurred for January and February 2020

SEASONAL EMPLOYERS:

Maximum loan =

2.5 X Average total monthly payments for payroll costs for the 12-week period beginning February 15, 2019 or March 1, 2019 (decided by the loan recipient) and ending June 30, 2019

4

Will this loan be FORGIVEN?

Borrowers are eligible to have their loans forgiven.

How Much?

A borrower is eligible for loan forgiveness equal to the amount the borrower spent on the following items during the 8-week period beginning on the date of the origination of the loan:

- Payroll costs (using the same definition of payroll costs used to determine loan eligibility)
- Interest on the mortgage obligation incurred in the ordinary course of business
- Rent on a leasing agreement
- Payments on utilities (electricity, gas, water, transportation, telephone, or internet)
- For borrowers with tipped employees, additional wages paid to those employees

The loan forgiveness cannot exceed the principal.

How could the forgiveness be reduced?

The amount of loan forgiveness calculated above is reduced if there is a reduction in the number of employees or a reduction of greater than 25% in wages paid to employees. Specifically:

Reduction based on reduction of number of employees

PAYROLL COST
Calculated on page 2

X

Average Number of Full-Time Equivalent Employees (FTEs) Per Month for the 8-Weeks Beginning on Loan Origination

÷

Option 1:

Average number of FTEs per month from February 15, 2019 to June 30, 2019

Option 2:

Average number of FTEs per month from January 1, 2020 to February 29, 2020

For Seasonal Employers:

Average number of FTEs per month from February 15, 2019 to June 30, 2019

Reduction based on reduction in salaries

PAYROLL COST
Calculated on page 2

—

For any employee who did not earn during any pay period in 2019 wages at an annualized rate more than \$100,000, the amount of any reduction in wages that is greater than 25% compared to their most recent full quarter.

What if I bring back employees or restore wages?

Reductions in employment or wages that occur during the period beginning on February 15, 2020, and ending 30 days after enactment of the CARES Act, (as compared to February 15, 2020) shall not reduce the amount of loan forgiveness **IF** by June 30, 2020 the borrower eliminates the reduction in employees or reduction in wages.

WHAT'S NEXT?

Look out for more information about eligible lenders and additional guidance from the SBA soon.
