## CAMPS AND RETREAT MINISTRIES

**We currently offer more than 45 services to help provide administrative solutions for camp and retreat center personnel.**

*"Working with GCFA Recruitment Services was a godsend. We don't have an HR Department so hiring a new senior staff person would have been a significant drain of time and energy. We needed to make this hire, but we had neither the staff nor the expertise to ensure the best outcome. The GCFA staff managed every step of the process while keeping us well informed, even providing training for the interview process. We are very satisfied with the service AND the end result."*

*Rev. Jack Shitama  
Executive Director
